6. Equipment: Most members of the unit had carried 1918-type Russian rifles.

and the officers carried Soviet pistols. One 1910-type Makssim 50X1-HUM (transliteration—Translator) heavy machine gun was seen at the unit's guard post. Daytime patrols and night ambush duty men carried Soviet burpguns.

No difference could be found between the uniforms of the guards and the uniforms of ordinary internal affairs station members. Their ensigns were also identical with those of the internal affairs station personnel.
